Proofing:

Proofing is the most important part of our Fine Art printing process. We start by applying our custom color profiles that we have created specifically for the printers we use, this enables us to achieve a very precise color match to your original. We will then fine tune your image for color balance, tonal range and sharpness and print the first proof for you to evaluate. We then make any changes you might have and print the final proof that you will sign and date. The final proof is then archived with your file for future reference.

☐	**Two 8x10" Proofs:**	**$ 50.00**	**(additional proofs are $ 20.00 each)**
☐	**Two 11x14" Proofs:**	**$ 60.00**	**(additional proofs are $ 25.00 each)**

Proofing is included at NO CHARGE for orders over $ 500.00
